Introduction

This booklet provides a list of HealthPartners network pharmacies. It is not a complete list of all the pharmacies in our network.

How to search for a pharmacy on our website

To find all network retail (including chain) , home infusion, long-term care or Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) pharmacies near you where you can get benefits under this plan:

1. Visit **healthpartners.com/public/pharmacy/find-pharmacy.**
2. Choose *Search all Pharmacies*.
3. Use the search function to find and choose a pharmacy near you. The search results will include the pharmacy name, address and phone number.
4. Certain types of pharmacies are identified with icons, including:

HI Home Infusion Pharmacies

LTC Long-Term Care Pharmacies

ITU Indian Health Service / Tribal / Urban Indian Health Program Pharmacies.

5. For directions, choose *View Map* to the left of the pharmacy name and choose *Get Directions* at the bottom of the page.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and HealthPartners formulary.

We call the pharmacies on this list and the pharmacies in our online pharmacy locator our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under HealthPartners only if they are filled at a network pharmacy or through our mail order pharmacy service.

Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies are not listed in this directory. To find all network pharmacies, follow the steps to search for a pharmacy on our website. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of December 2020. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies in the network, but your costs for some drugs may be less at pharmacies on this list that offer preferred cost-sharing. We have marked these pharmacies with tto distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

National chain pharmacies are organized alphabetically by chain name. Mail order pharmacies are organized alphabetically by state, city and pharmacy name.

Minnesota

For Minnesota pharmacy lists, the pharmacies are organized alphabetically by state, city and pharmacy name.

National chain pharmacies

The pharmacies listed below are retail chain pharmacies. To find **retail independent (non-chain) pharmacies** where you can get benefits under this plan, please see the information on page 2. You'll find information on how to search for a pharmacy on our website. The search results will include the pharmacy name, address and phone number. Mail-order pharmacies

You can get prescription drugs shipped to your home through our network mail order delivery program. For refills of your mail order prescriptions, please contact us four to seven business days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.
