

Introducing the new **national solution** from the **alliance** of CIGNA HealthCare and HealthPartners.

If you have employees in multiple states, you know the challenge of providing affordable, consistent health care coverage.

Now, through the alliance of CIGNA HealthCare and HealthPartners, you have a new national option designed to offer you an efficient, low-cost solution:

Coast-to-coast coverage: A seamless national network with 470,000 providers and 4,800 hospitals – with no referrals required – giving your employees the care they want, when they want it, from the providers they prefer.

Administrative efficiency: A single administrator and point of contact means no duplication, faster claims processing and more comprehensive reporting – adding up to bigger savings and better service for you and your employees.

Seamless experience: Employees in Minneapolis, Memphis and Miami all get the same great coverage, service and support from the nation's leaders in health improvement and disease management.

Focus on quality care: Industry wellness measures show we're leaders in working with providers to get and keep employees healthy and productive. Shorter hospital stays, lower long-term costs – our ability to influence quality care improves your bottom line.

It all adds up to healthier, more productive employees coast-to-coast – with bigger savings and fewer hassles than your current national plan.
