Healthy lives, healthy savings

HealthPartners gives you and your members extra perks with Healthy Discounts — at no additional cost to you! The benefits? Happier, healthier employees and greater productivity — plus a chance for you to reduce cost trend by encouraging physical activity and healthy choices in your workforce.

Here's how it works

Your HealthPartners members simply show their HealthPartners Member ID card to participating retailers for money saving Healthy Discounts on exercise equipment, classes, snowboard and ski equipment, spa and wellness services and much more.

Contact your HealthPartners representative for further details on Healthy Discounts.

Visit us online at healthpartners.com

The HealthPartners Research Foundation found that employees who are physically fit are more productive and absent less often.

— *Journal of Organizational and Environmental Medicine*, Volume 45, Number 1, January 2004

Discount partners that help your members save money.
