

Zyrtec® Frequently Asked Questions

Will Zyrtec continue to be covered as a prescription product?

No. Zyrtec will be covered as a prescription product until April 1, 2008.

Since most prescription forms of Zyrtec are being withdrawn from the market (and made available as over-the-counter products), most pharmacies will no longer carry prescription forms.

Is over-the-counter Zyrtec same as the prescription?

Yes. Over-the-counter Zyrtec is identical to the prescription form.

What forms of Zyrtec are available over-the-counter?

All prescription forms of Zyrtec are available as over-the-counter products.

The following medications are available over-the-counter:

- 5mg and 10mg tablets
- 5mg and 10mg chewable tablets
- 5mg/5mL syrup

Is over-the-counter Zyrtec covered under HealthPartners benefits?

No. Over-the-counter medications are not covered under HealthPartners pharmacy benefit.

How much does over-the-counter Zyrtec cost?

Over-the-counter prices vary from pharmacy to pharmacy, but in most cases Zyrtec is approximately \$20 per month.

What if I have more questions?

If you have questions about your HealthPartners coverage or this change, please contact Member Services at the phone number on the back of your Member ID card or at 952-883-5000.

At HealthPartners, we're your partner!
