

## National Pharmacy Network

The following pharmacies are available to members who have HealthPartners pharmacy/prescription coverage. There are over 63,000 pharmacies available, for the most current information please use the online Pharmacy Locator.

You have access to a national pharmacy network. If you need a prescription, simply show your HealthPartners member ID card at one of the national pharmacy chains listed below.

Note: This list is not for Medicare Part D members. If you are a HealthPartners Medicare Part D member please refer to the Medicare Part D list.
