**Specialty medications are available through SpecialtyScripts™ Pharmacy.
Contact SpecialtyScripts™ Pharmacy by telephone at 1-866-294-1760
to fill your prescriptions for specialty medications.**

You may also use the following choice vendors for the products flagged with a ① or a ② in the above chart:

- ① **Blood factor products** are also available through Children's/Caremark Hemophilia Treatment Center Pharmacy (651-846-3262 or toll-free at 1-800-873-1850, extension 3262) and through Fairview Specialty Pharmacy (612-626-8484 or toll-free at 1-866-419-7859).
- ② These medications are available through Caremark Rx Specialty Pharmacy. Please call toll free at 1-800-237-2767 or email customerservicefax@caremark.com.

Coverage does not allow retail pharmacies to fill prescriptions for specialty medications. A one time exception will be considered if necessary. Note: Specialty pharmacy vendors listed are preferred, but not required for Minnesota State Public Programs.
