Introduction

This booklet provides a list of the HealthPartners Medicare Prescription Drug (Part D) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and HealthPartners Medicare Drug Formulary.

If you have additional questions, please call member Services at:

HealthPartners® Freedom Plan (Cost) members should call 952-883-7979 or 1-800-233-9645 from 8 a.m. to 8 p.m., seven days a week. TTY/TDD users should call 952-883-6060 or 1-800-443-0156.

HealthPartners Medicare Prescription Drug Plan (PDP) members should call 952-883-7373 or 1-877-816-9539 from 8 a.m. to 8 p.m., seven days a week. TTY/TDD users should call 952-883-6060 or 1-800-443-0156.

Or visit healthpartners.com/partdpharmacy.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by HealthPartners. In most cases, your prescriptions are covered under HealthPartners only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Preferred pharmacies are pharmacies in our network in which our Plan has negotiated lower cost-sharing for its plan members for covered prescription drugs than at non-preferred pharmacies. However, you will still have access to lower drug prices at non-preferred pharmacies than at out-of-network pharmacies. You may go to either of these types of network pharmacies to receive your covered prescription drugs.

The listings for community pharmacies start on page 3. National chain pharmacies are listed throughout the community pharmacy listing.

This directory is current as of July 2009. A pharmacy’s listing in the directory does not guarantee the pharmacy is still in the network, is open or is still in the same location.

Community pharmacies

Members enrolled in this plan may fill their prescriptions at the Minnesota and western Wisconsin pharmacies listed in this section. To find a list of participating pharmacies in eastern North and South Dakota, please visit healthpartners.com/medicare.

This section provides a list of HealthPartners network pharmacies. We also list national chain pharmacies that are in our network but are outside Minnesota. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. Please contact HealthPartners at the numbers on page 1 for questions.

If you are hearing impaired, please call TRS Relay at 711 for assistance.

For 90-day supplies, the preferred mail order service offers covered drugs to members of our plan at lower cost-sharing levels than apply at a non-preferred mail order service when members order an extended day supply. You may use either of these types of mail order services to receive your covered prescription drugs.
