

SECTION SIX: Authorization and acknowledgement Please read and sign on page three

By completing this enrollment application, I agree to the following:

HealthPartners® Freedom plan (Cost) is a Medicare Cost plan and has a contract with the Federal government. I will need to keep my Medicare Parts A and B, or B only. I can only be in one Medicare health plan at a time. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future. I know I may disenroll from this plan at any time by sending a written request to HealthPartners or by calling 1-800-Medicare. TTY users should call 1-877-486-2048.

HealthPartners® Freedom plan (Cost) serves a specific service area. (See the Summary of Benefits for more details.) If I move out of the area that the Freedom plan serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of the Freedom plan, I have the right to appeal plan decisions about payment and services if I disagree. I will read the plan's Evidence of Coverage (EOC) to know which rules I must follow to get coverage with this Medicare Cost plan.

I understand that beginning on the date HealthPartners® Freedom plan (Cost) coverage starts, in order for the plan to fully cover my medical services (except for emergency or urgently-needed services), all of my healthcare must be provided or arranged by HealthPartners. If I obtain services not provided or arranged by the plan, I will be responsible for all Medicare deductibles and coinsurance, as well as any additional charges as prescribed by the Medicare program. I may also be liable for charges not covered by Medicare.

Medicare beneficiaries are generally not covered under Medicare while out of the country except for limited coverage in Canada and Mexico. Services authorized by HealthPartners and other services contained in my HealthPartners® Freedom plan (Cost) Evidence of Coverage document (also know as a member contract) will be covered.

I understand that if I am getting assistance from a sales agent, broker or other individual employed by or contracted with HealthPartners, he/she may be paid based on my enrollment in HealthPartners.

Counseling services may be available in my state to provide advice concerning Medicare supplement insurance or other Medicare Advantage or Prescription Drug plan options as well as medical assistance through the state Medicaid program and the Medicare Savings Program.

If I am joining the Enhanced Prescription Drug plan, I confirm that I am not getting any financial support from my or my spouse's current or former employer group or union to buy medical services or medical coverage, prescription drugs or prescription drug coverage or to pay for, in whole or in part, my enrollment in a Medicare Advantage or Medicare Prescription Drug Plan.

If you are in a Medicare Advantage Plan (like an HMO or PPO), joining the HealthPartners® Freedom Medicare Prescription Drug Program (Cost) means that you will no longer be in your Medicare Advantage plan. You don't have to do anything to cancel your membership in your Medicare Advantage plan. By joining the HealthPartners® Freedom Medicare Prescription Drug Program (Cost), you will now get your healthcare from the HealthPartners® Freedom plan (Cost). You should call your health plan if you are unsure if you have a Medicare Advantage plan.

Release of Information: By joining this Medicare health plan, I acknowledge that HealthPartners will release my information to Medicare and other plans as is necessary for treatment, payment and healthcare operations. I also acknowledge that HealthPartners will release my information, including my prescription drug event data, to Medicare in applicable, who may release it for research and other purposes which follow all applicable Federal statutes and regulations.
