

Why should you switch to a HealthPartners Dental Clinic?

Your smile says a lot about the way you feel – inside and out. In fact, there is a strong link between dental health and overall health. Our dentists and dental hygienists are committed to working with you to keep your mouth as healthy as possible. One of our goals is helping you avoid costly procedures that can shorten the life of your teeth.

Make the switch to a HealthPartners Dental Clinic today and experience a unique and customized approach to dental care, including:

- Personalized care plans based on your lifestyle and health risks
- State-of-the-art technology, including electronic dental records and digital x-rays
- Preventing dental disease instead of just treating it
- Gentle, caring staff
- Specialty care – pediatric dentists, oral surgeons and more
- Cosmetic dentistry – teeth whitening, veneers, implants
