

# IS AN HSA-qualified plan right for you?

Here's your chance to find out. We're holding a special informational meeting about HealthPartners Empower<sup>SM</sup> HSA plan, a different kind of health plan that allows you to save money and make the right health care decisions. Come and learn more about how the plan works and how much you could save with an HSA.

## HealthPartners Empower HSA Plan Meeting

**Date:**

**Time:**

**Location:**

### Did you know...?

You could save in taxes every year with an HSA.

You can use an HSA to pay for:

- dental and vision care
- orthodontia
- LASIK eye surgery
- doctor's visits
- and more!

With HealthPartners Empower HSA, you get preventive care coverage at 100 percent.
