#### Statement of Interest

In the past year as a HealthPartners Board member, my knowledge of HealthPartners operations has increased immensely. It's been an honor to support the HealthPartners organization and the individuals positively impacted by HealthPartners services. My past experience as HealthPartners Olivia Hospital & Clinic board chair with Trustee Certification and Advanced Trustee Certification from the Minnesota Hospital Association prepared and inspired me to serve at deeper, more meaningful levels. HealthPartners is committed to expanding the lens through which decisions are made. I will help achieve this goal with a unique background that blends rural perspective, educational expertise and organizational leadership.

## **Amelia Hardy**

Statement of Interest

I am excited about the opportunity to continue representing the members of HealthPartners. In my first term of service on this board, and during the 9 years that I sat on the board of HealthPartners' own Regions Hospital, I've had a window into the strong commitment that this organization has to improving the health of our community. Every person's ability to achieve their potential starts with good health, and HealthPartners' priorities are to provide equitable access to care and build trust with our members. I believe deeply in these goals, and if re-elected, I will do my best for HealthPartners.

Statement of Interest

HealthPartners commitment to helping our members and patients live a healthier life resonates deeply, aligns with my life work and personal values, and motivates me to represent all those we serve. Throughout my career as a nurse, educator and senior administrator, I've worked at the intersection of health care and education. The health and well-being of individuals and families determines that of communities. Building strong, resilient communities, one person, one family at a time, transforms lives. As a member of the board of directors, I bring strong communication skills, experience in strategic planning, data analysis and collaborative partnerships. It is an honor to serve, and I ask for your endorsement and vote to continue this work.
