# Provider Directory

This directory provides a list of HealthPartners® Atlas<sup>SM</sup> network providers.

This directory is for western Wisconsin residents living in Burnett, Douglas, Pierce, Polk and St. Croix counties.

This directory is current as of August 25, 2020. Some network providers may have been added or removed from our network after this directory was published. We do not guarantee that each network provider is still accepting new members. To get the most up-to-date information about HealthPartners network providers in your area, you can visit [healthpartners.com/atlasnetwork](https://healthpartners.com/atlasnetwork), or call Member Services at **952-967-7540** or **866-232-1166** or log on to your *myHealthPartners* account.

Enrolling in the HealthPartners Atlas network does not guarantee services by a particular provider on this list. If you wish to be certain of receiving care from a specific doctor listed, you should contact that doctor to ask whether the doctor is still a HealthPartners provider and whether or not the doctor is accepting additional patients.

Access to health care services does not guarantee access to a particular type of doctor. Please contact Member Services at **952-883-5900** or **855-813-3887** for specific information about access to different kinds of doctors.

# Atlas network provider selection criteria

The Atlas network of doctors, clinics, hospitals and pharmacies gives you lower costs without sacrificing quality. The plans that use the Atlas network, including our “Silver” plan are for people who live in western Wisconsin who prefer to pay less each month and access a smaller network. HealthPartners chose our network practitioners and hospitals based on the following criteria:

- Ability to provide strong primary and specialty care access to members in western Wisconsin including Burnett, Douglas, Pierce, Polk and St. Croix counties.
- HealthPartners clinics and hospitals within our family of care, plus their key referral partners. We have evaluated these providers using HealthPartners Total Cost of Care and Resource Use Index, a measure that has been endorsed by the National Quality Forum (NQF).
- All HealthPartners provider contracts are customized to include care and quality goals with each provider, considering specific quality and cost criteria to ensure that care is safe, effective, efficient and patient-centered.

As additional assurance of quality, HealthPartners built the network around partners with a proven track record of strong patient-centered care:

- HealthPartners Medical Group and Essentia Health are NCQA-accredited Accountable Care Organizations (ACO)
- Park Nicollet is a CMS Next Generation ACO – one of only 21 such organizations in the country

The Atlas network meets these minimum access standards:

- One primary care provider within 30 miles of a member
- One specialty care provider within 60 miles of a member
- One high volume specialty care provider within 60 miles of a member
- One high impact specialty care provider within 60 miles of a member
- One obstetrics and gynecology provider within 60 miles of a member
- One behavioral health provider within 30 miles of a member
- One hospital within 30 miles of a member

## Atlas network clinic selection standards

Experience	HealthPartners uses multiple measures to assess member experience with their clinic including the ability to get a convenient appointment.
Cost	HealthPartners NQF-endorsed total cost of care measure evaluates providers based on the specific risk adjusted per member per month cost indexed against the overall risk adjusted per member per month cost for all 13-county metro primary care providers.
Safety	HealthPartners Safety Assessment Survey monitors multiple clinical safety measures including safe use of abbreviations.
Quality	HealthPartners uses multiple measures to assess clinic quality including measuring breast cancer screening rates as defined by Minnesota Community Measurement.

## Atlas network hospital selection standards

Experience	HealthPartners uses multiple measures to assess member experience with their hospital including how patients rated the hospital overall.
Cost	HealthPartners' hospital and surgery center cost assessment compares the cost of a facility including the inpatient and outpatient services provided. The overall cost index is case mix adjusted and place of service case mix adjusted (inpatient vs. outpatient care). The cost index for each facility is indexed to the aggregate 13 county metro Total Cost Index.
Safety	HealthPartners uses multiple measures to assess hospital safety including hospital-wide readmissions.
Quality	HealthPartners uses multiple measures to assess hospital quality including measuring heart attack mortality.

## Getting care

### Your personal physician

A personal relationship with a physician is at the heart of good care and good health. That's why we encourage you to choose a personal physician who gets to know you and your health history, even though you can go to a different provider each time. This physician can provide most of your care and work with specialists if you need special care.

### Specialty care

In the HealthPartners Atlas network, you can go directly to any specialist in this directory without a referral.

Information about the specialists in this network is listed in the Network Providers section of this directory.

### Network and out-of-network care

When you receive care from a clinic or provider in the HealthPartners Atlas network, your care is considered network. If you receive care from a provider not in the HealthPartners Atlas network (except in urgent or emergency situations), your care may be considered out-of-network and may not be covered or may be covered at a lower level.

To learn about your specific benefits, consult your Summary of Benefits or, if you're a member, view your benefits online at [healthpartners.com](http://healthpartners.com).

# Atlas network providers

In the Atlas network you may use the health care professionals, facilities and services listed in this directory without a referral from a primary care physician. Anytime you or a member in your family needs care, you may choose to see any provider in this network. If you seek care from a provider who is not listed in this directory, your care is considered out-of-network and may not be covered.

Consult your Membership Contract for benefits available to you.

# Urgent/after-hours care

HealthPartners is ready to help you handle medical problems. For urgent care needs during clinic hours, please call your clinic. For urgent care after your clinic's regular hours, you have several options:

- Call your clinic's after-hours line
- Call the CareLine<sup>SM</sup> service at 612-339-3663 or 1-800-551-0859 to speak to a registered nurse
- Walk in to any of the urgent care centers listed on the following pages

## What is the CareLine service?

After regular clinic hours, call our CareLine<sup>SM</sup> service to talk directly with skilled nurses who are specially trained to help you over the phone. A CareLine nurse might suggest home care, a visit to your clinic the next day, a trip to an urgent care clinic, or a visit to an emergency room. Whatever your health care needs or questions, CareLine nurses will give you guidance based on the condition you describe and, if necessary, direct you to the facility that is most appropriate for your situation. They'll even contact the urgent care center so they're prepared to meet your needs when you arrive.

### The CareLine<sup>SM</sup> Service

612-339-3663 or 800-551-0859  
or 952-883-5474 TTY  
(for members who are hearing-impaired)

### The BabyLine<sup>SM</sup> Service

612-333-BABY (2229) or 800-845-9297

## Concerns with your pregnancy?

The CareLine service offers a special phone line for pregnant members and up to six weeks after delivery. Call 612-333-BABY or 800-845-9297 to speak with specially trained nurses about over-the-counter medications, breast-feeding, unfamiliar aches and pains, mood swings — there are no small concerns when it comes to your health during pregnancy.

## What urgent care centers are available?

The urgent care centers listed on the following pages are available to all HealthPartners members — just walk in. In addition, some clinics offer urgent care on site (see clinic listings). The urgent care centers affiliated with your primary care clinic will most likely be able to get access to your medical records and more easily coordinate any needed follow-up care.
