

Health savings account (HSA)

Next steps after choosing your HSA plan

Congrats! You've taken control of your health care costs with a health savings account (HSA) plan. But where do you go from here? A great next step is learning how to get your plan info and balances.

Sign up for an online account

You can:

- View your HealthPartners member ID card
- See where you're at with your deductible
- If you have an HSA through Fidelity or Optum Bank;
 - » You can check how much money is in your HSA
 - » Review the last 10 deposits or withdrawals from your account
- Review and manage your claims
- Shop around to find the lowest-cost care

For more information, call HealthPartners Member Services at **952-883-7000** or **866-443-9352**, Monday through Friday from 7 a.m. to 6 p.m. CT.

Sometimes the same care can be preventive (and free) or diagnostic (and may cost extra). Just another reason to get your recommended preventive care even when you're feeling healthy.
