

Methodist Hospital Provider List Appendix

Date of Last Update: July 2020

In connection with its Financial Assistance Policy, Methodist Hospital is required to maintain a list of providers, other than Methodist Hospital itself, providing emergency or other medically necessary care in Methodist Hospital. This provider list must specify which providers are covered by Methodist Hospital's Financial Assistance Policy and which are not. Where applicable, providers may be listed by individual names, practice groups, or business/company names. Methodist Hospital may also specify providers that are covered or not covered by its Financial Assistance Policy by general reference to a Methodist Hospital department or type of service.
