This is a list of HealthPartners MSHO’s network providers for Anoka, Benton, Carver, Chisago, Dakota, Hennepin, Ramsey, Scott, Sherburne, Stearns, Washington and Wright counties.

You can get this document for free in other formats, such as large print, braille, or audio. Call Member Services at the number at the bottom of this page.

B. BACKGROUND INFORMATION ABOUT HEALTHPARTNERS MSHO'S NETWORK PROVIDERS

B1. KEY TERMS

This section explains key terms you'll find in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
 - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provider services our plan covers. The providers in our network generally bill us directly for care they give you. When you go to a network provider, you usually pay nothing for covered services.
- **A Primary Care Provider (PCP)** is a health care provider who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to go to a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - **Oncologists** care for patients with cancer.
 - **Cardiologists** care for patients with heart conditions.
 - **Orthopedists** care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** to go to a specialist or someone that is not your PCP. A **referral** means that your PCP must give you approval before you can go to someone that is not your PCP. If you don't get a referral, HealthPartners MSHO may not cover the service.
 - Referrals from your network PCP are not needed for:
 - Emergency care;
 - Urgently needed care;
 - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area;
 - Services from a women's health specialist.
 - Open Access Services – These are services for which you can choose any provider even if not in our network. An example of an Open Access Service is screening for sexually transmitted infections.
 - Additionally, if you are eligible to get services from Indian Health Service/Tribal/Urban Indian (I/T/U) health programs, you may go to these providers without a referral. We must pay I/T/U health programs for those services, even if they are out of our plan's network.
 - More information on referrals is available in Chapter 3 of the *Member Handbook*.
- You also have access to a **Care coordinator**. A **Care Coordinator** helps you manage your medical providers and services.

If you have questions, please call HealthPartners Member Services at **952-967-7029** or **888-820-4285**, TTY: **711**, **Oct. 1 through March 31**, 8 a.m. to 8 p.m. CT, **seven days a week**. From **April 1 to Sept. 30**, call us 8 a.m. to 8 p.m. CT **Monday through Friday**. The call is free. For more information, visit healthpartners.com/msho.

B2. HOW TO CHOOSE A PRIMARY CARE PROVIDER/PCP

You can get services from any provider who is in our network and accepting new members.

When you become a member of our plan, you will choose a PCP who is part of our plan network. This provider will be your PCP.

If you did not choose a PCP or would like to make a change to your PCP, go to the list of providers in Section C and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.

- If you want help in choosing a PCP, please call Member Services at the number at the bottom of this page.
- If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service or care.

B3. HOW TO GET LONG-TERM SERVICES AND SUPPORTS (LTSS)

You may be able to get long-term services and supports (LTSS), such as services provided by the Elderly Waiver (EW) program as a HealthPartners MSHO member. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

You must have a Long-Term Care Consultation (LTCC) done and be found to be eligible to get additional services or support. You can ask to have this assessment in your home, apartment, or facility where you live.

Your care coordinator will meet with you and your family to talk about your care needs if you call to ask for a visit.

Your care coordinator will give you information about community services, help you find services to stay in your home or community, and help you find services to move out of a nursing home or other facility.

If you need transition planning and coordination services to help you move to the community, you may be eligible to get Moving Home Minnesota (MHM) services. MHM services are separate from EW services, but you must be eligible for EW.

To find out more about these services, refer to your *Member Handbook*. Call Member Services at the number at the bottom of this page to get more information on how to access these services.

If you have questions, please call HealthPartners Member Services at **952-967-7029** or **888-820-4285**, TTY: **711, Oct. 1 through March 31**, 8 a.m. to 8 p.m. CT, **seven days a week**. From **April 1 to Sept. 30**, call us 8 a.m. to 8 p.m. CT **Monday through Friday**. The call is free. For more information, visit **healthpartners.com/msho**.

B4. HOW TO ACCESS HEALTHPARTNERS MSHO'S NETWORK PROVIDERS

You may need a referral to go to someone who is not a PCP. There is more information about referrals in Section B1 of this Directory.

You must get all of your covered services from providers within our network. If you go to providers who are not in HealthPartners MSHO's network **(without prior authorization or approval from us), you will have to pay the bill.**

A **prior authorization** is an approval from HealthPartners MSHO before you can get a specific service, drug, or go to an out-of-network provider. HealthPartners MSHO may not cover the service or drug if you don't get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if HealthPartners MSHO gives you permission first.

- You may change providers within the network at any time during the year. If you have been going to one network provider, you do not have to keep going to that same provider. You may change your PCP for any reason at any time by contacting Member Services. For some providers, you may need a referral from your PCP.
- HealthPartners MSHO works with all the providers in our network to accommodate the needs of people with disabilities. If you need to go to a provider and are not sure if they offer the accommodations you need, HealthPartners MSHO can help you. Talk to Member Services for assistance.

B5. HOW TO FIND HEALTHPARTNERS MSHO PROVIDERS IN YOUR AREA

Turn to the Table of Contents on page 3 to search for network providers. You can search by the type of provider: Primary and specialty care, hospital, dental, chiropractic, urgent care, walk-in clinic, etc.

Primary and specialty care providers are organized alphabetically by clinic system, clinic name, and city. Other provider types are listed alphabetically by county and city.

HOW TO ACCESS OUT-OF-NETWORK PROVIDERS

Out-of-network providers are providers that are not part of the HealthPartners MSHO network. If you go to a provider who is not in your care network, your care is out-of-network. We may not pay for your out-of-network care. For more details, refer to your Member Handbook.

We cover certain health care services that you get from non-network providers. These include care for a medical emergency, including hospital care after you are stable (known as post-stabilization), maintenance care, urgently needed care when you are temporarily out of the service area, care that has been approved in advance by HealthPartners and any services which were determined to be covered through an appeals process. If a non-network provider asks you to pay for covered services you get in these situations, do not pay the provider. Instead, please contact Member Services at the phone number listed at the bottom of this page or send the bill to HealthPartners.

If you have questions, please call HealthPartners Member Services at **952-967-7029** or **888-820-4285**, TTY: **711**, **Oct. 1 through March 31**, 8 a.m. to 8 p.m. CT, **seven days a week**. From **April 1 to Sept. 30**, call us 8 a.m. to 8 p.m. CT **Monday through Friday**. The call is free. For more information, visit **healthpartners.com/msho**.

HOW TO ACCESS SPECIALTY PROVIDERS

You do not need a referral to see most of the specialists in this plan. In the Primary and Specialty Care Providers section there is a list of selected providers in more than 20 specialties who you can see without a referral. Your PCP will help you find a specialist when you need their care. You can get additional information on how to access specialty care by calling Member Services at the number at the bottom of this page.

HOW TO GET MORE INFORMATION ABOUT PERSONAL CARE PROVIDER ORGANIZATIONS (PCPO) AND HOME CARE AGENCIES

Personal care provider organizations (PCPO) or personal care assistant (PCA) service providers are listed in this booklet. Home Care Agencies are not listed in this booklet. Call Member Services or ask your Care Coordinator for more information on how to access these services.

HOW TO FIND A NETWORK PHARMACY

The Pharmacy section that lists pharmacy providers is located in Section E.

Please refer to the Pharmacy section to find an updated list of pharmacy providers. Or call Member Services at the number at the bottom of this page.

HOW TO DETERMINE IF A FACILITY IS ACCESSIBLE

Providers were asked to complete a questionnaire about accessibility in three areas: parking, entry ways and other relevant spaces, and office exam rooms and equipment. Responses to the questionnaire are included in the provider listings.

If you need more information about access options, you can get information by calling Member Services at the number at the bottom of this page. This could include, but is not limited to, information such as availability of flexible hours or wheelchair access.

HOW TO ACCESS INTERPRETER SERVICES

Hearing and language interpreter services are available to help you get services. Oral interpretation can be given to you in your language. You may be able to get written information in your language. If you need an interpreter, ask for one when scheduling an appointment or call Member Services.

Call the provider at the phone number listed in this directory to ask about the language services they offer, including which languages they support.

If you have questions, please call HealthPartners Member Services at **952-967-7029** or **888-820-4285**, TTY: **711**, **Oct. 1 through March 31**, 8 a.m. to 8 p.m. CT, **seven days a week**. From **April 1 to Sept. 30**, call us 8 a.m. to 8 p.m. CT **Monday through Friday**. The call is free. For more information, visit **healthpartners.com/msho**.

C. HEALTHPARTNERS MSHO'S LIST OF NETWORK PROVIDERS

This part of the Directory includes a list of HealthPartners MSHO's network providers **who participate in and accept HealthPartners MSHO**. It contains:

- **Health care professionals** including primary care providers, specialists, mental health and substance use disorder providers (behavioral health), and dentists; and
- **Facilities** including hospitals, nursing facilities, mental health facilities, IHS and Tribal facilities and clinics.

Providers are listed in alphabetical order. In addition to contact information, provider listings also include specialties and skills, for example, such as languages spoken or completion of cultural competence training. To find a network provider nearest to you, look up the provider type and under that, find the address and county closest to yours. Otherwise, call Member Services at the phone number at the bottom of the page.

Call HealthPartners Member Services at the number on the back of your member ID card to ask for provider race, ethnicity and language information.

Cultural competence training is additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

If you have questions, please call HealthPartners Member Services at **952-967-7029** or **888-820-4285**, TTY: **711**, **Oct. 1 through March 31**, 8 a.m. to 8 p.m. CT, **seven days a week**. - HealthPartners MSHO members must use network pharmacies to get prescription drugs.
- You must use network pharmacies except in emergency or urgent care situations.
- If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out-of-pocket for the service. Read the HealthPartners MSHO *Member Handbook* for more information.
- Some network pharmacies may not be listed in this Directory.
 - Some network pharmacies may have been added or removed from our plan after this Directory was published.

We have pharmacies outside Minnesota. Please contact Member Services at the number at the bottom of this page for more information.

D1. TYPES OF PHARMACIES IN HEALTHPARTNERS MSHO'S NETWORK

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) pharmacies

You are not required to continue going to the same pharmacy to fill your prescriptions.

You can go to any of the pharmacies in our network.

D2. LONG-TERM SUPPLIES OF PRESCRIPTIONS

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply.
- **90-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. A 90-day supply has the same copay as a one-month supply.
