

**Title:** Supervised Exercise Therapy (SET) for Symptomatic Peripheral Artery Disease (PAD) (CAG-00449N)

**Decision:** The Centers for Medicare & Medicaid Services (CMS) has determined that the evidence is sufficient to cover supervised exercise therapy (SET) for members with intermittent claudication (IC) for the treatment of symptomatic peripheral artery disease (PAD).

**What this means:** Supervised Exercise Therapy (SET) for Symptomatic Peripheral Artery Disease may be covered for members when the SET program meets all the Medicare coverage criteria. Please refer to the final decision memo for specific details.

**Effective:** May 25, 2017

This announcement can be found at: [Decision Memo for Supervised Exercise Therapy \(SET\) for Symptomatic Peripheral Artery Disease \(PAD\) \(CAG-00449N\)](#).

HealthPartners MSHO is a health plan that contracts with both Medicare and the Minnesota Medical Assistance (Medicaid) program to provide benefits of both programs to enrollees. HealthPartners Freedom is a Cost plan with a Medicare contract. HealthPartners UnityPoint Health is a PPO plan with a Medicare contract. Enrollment in HealthPartners and HealthPartners UnityPoint Health depends on contract renewal.
