

Curriculum Vitae

Terry Randy Barclay, Ph.D.

EDUCATION

- Ph.D.** Clinical Psychology, August 2004
Michigan State University, East Lansing, Michigan
Specialty Track: Neuropsychology
Dissertation: The effects of anxiety, depression, and age on cognitive functions in older adults: A longitudinal study
Committee Chairperson: Norman Abeles, Ph.D., ABPP
- M.A.** Clinical Psychology, December 2000
Michigan State University, East Lansing, Michigan
Specialty Track: Neuropsychology
Thesis: Risk factors of cognitive decline in a community-based sample of older adults
Committee Chairperson: Norman Abeles, Ph.D., ABPP
- B.A.** Psychology, May 1996
St. Olaf College, Northfield, Minnesota
Honors: magna cum laude
Education abroad: American University in Cairo, Egypt
Bangalore University, Bangalore, India
East China Normal University, Shanghai, China
Yonsei University, Seoul, South Korea

GRADUATE AND POSTGRADUATE TRAINING

- | | |
|-------------|--|
| 2004 - 2006 | National Institute of Mental Health (NIMH) Postdoctoral Fellow,
Neuropsychology
University of California Los Angeles
Semel Institute for Neuroscience and Human Behavior
Los Angeles, CA |
| 2003 - 2004 | Pre-doctoral Intern, Geropsychology Track
West Los Angeles VA Healthcare Center
Los Angeles, CA |
| 1998 - 2003 | Clinical Practicum Trainee, Neuropsychology Track
Psychology Clinic, Michigan State University
East Lansing, MI |

GRANTS AND AWARDS

- | | |
|-----------|--|
| 2004-2006 | National Research Service Award (NRSA) Trainee, Postdoctoral Fellowship, University of California Los Angeles |
| 2001-2002 | AARP Andrus Foundation Fellowship in Gerontology, Doctoral Level Alternate Awardee, Association for Gerontology in Higher Education, Washington, D.C. |
| 2000-2001 | Blue Cross Blue Shield of Michigan Foundation, Student Research Grant |
| 2000-2001 | Pearl J. Aldrich Endowment in Gerontology, Graduate Student Research Grant, College of Human Medicine, Department of Psychiatry, Michigan State University |
| 1999-2000 | AARP Andrus Foundation Fellowship in Gerontology, Masters Level Alternate Awardee, Association for Gerontology in Higher Education, Washington, D. C. |
| 1998-2002 | Graduate Student Assistantship, Department of Psychology, Michigan State University |
| 1998-1999 | Graduate Student Fellowship, Department of Psychology, Michigan State University |
| 1993-1996 | Academic Achievement Fellowship, St. Olaf College |

HONORS

- | | |
|------|---|
| 2013 | Leaders in Health Care Award , Health practitioner category, Minnesota Business Journal. Awarded to an individual who has operated at an exceptional level in their field of practice. |
| 2012 | President's Award , HealthPartners. Recognition for outstanding performance in serving the members, patients, and staff of the HealthPartners organization. |

RESEARCH EXPERIENCE

Co-Principal Investigator. Alzheimer's Research Center, Regions Hospital, St. Paul, Minnesota. *6th Vital Sign Project: Does Cognitive Screening in the Elderly Population Improve Clinical Care?* 2012-Present.

- Study design, methodology, outcome measures, subject recruitment, data collection and analysis
- Training and implementation of Mini-Cog screening in outpatient medical clinics

Co-Investigator. Alzheimer's Research Center, Regions Hospital, St. Paul, Minnesota. *A Double-Blind, Placebo-Controlled Single Dose Study of the Safety and Efficacy of Glutamine on Cognitive Function and Memory in Individuals Diagnosed with Probable Mild to Moderate Alzheimer's Disease.* 2011-2012.

- Study design, methodology, outcome measures, subject recruitment, data collection and analysis
- Neurocognitive assessment for all study participants

Co-Investigator. Alzheimer's Research Center, Regions Hospital, St. Paul, Minnesota.

Minnesota Memory Project. 2010-Present

- Longitudinal research investigation of lifestyle, health, and neurocognitive risk factors of MCI and dementia in a large sample of community dwelling older adults in Minnesota
- Study of caregiving behavior, health, and cognitive functioning
- Study design, supervision of research staff, subject recruitment, data collection, quality assurance

Research Investigator. Alzheimer's Research Center, Regions Hospital, St. Paul, Minnesota.

2009-Present

- Wide range of pre-clinical and human studies focusing on Alzheimer's disease and related neurodegenerative conditions
- Biomarker and lifestyle factors associated with memory loss and dementia; cognitive stimulation and physical activity as protective factors against memory loss; intranasal delivery of insulin and other treatments in neurodegenerative disease; delirium in hospitalized older patients; screening and early detection of Alzheimer's disease; brain bank studies
- Study design and methods, supervision of research staff, subject recruitment, data collection and analyses, manuscript preparation

Postdoctoral Research Associate. Veterans Administration Greater Los Angeles Healthcare System. *Aging and HIV/AIDS: Neurocognitive Sequelae and Functional Consequences.* 2005-2006

Principal Investigator: Charles Hinkin, Ph.D., ABPP/ABCN

- Subject recruitment, data analyses, and manuscript preparation

Postdoctoral Research Associate. University of California Los Angeles, Department of Psychiatry and Biobehavioral Sciences, Los Angeles, California. *Cognitive Deficits and Medication Adherence in HIV/AIDS* [NIMH RO1 #MH58552]. 2004-2006

Principle Investigator: Charles Hinkin, Ph.D., ABPP/ABCN

- Data analyses, manuscript preparation, and poster/paper presentations

Principal Investigator. Michigan State University, Department of Psychology, East Lansing, Michigan. *The effects of anxiety, depression, and age on cognitive functions in older adults: A longitudinal study.* 2001-2004

- Research design, subject recruitment, data collection and analyses

Study Coordinator. Vital Research, LLC., Long Term Care Division, Los Angeles, California and the Ohio Department of Aging, Columbus, Ohio. *Ohio resident satisfaction survey.* 2003

Principle Investigators: Gwen Uman, Ph.D., Harold Urman, Ph.D.

- Statewide research protocol investigating resident satisfaction in 1,000+ nursing home facilities
- Clinical training and supervision of research staff
- Data collection and quality control

Study Coordinator. Michigan State University, Department of Psychology, East Lansing, Michigan. *Age consistent memory decline and late life forgetting: Impact of attention and memory training.* 2001-2003

Principle Investigator: Norman Abeles, Ph.D., ABPP

- Training and supervision of junior research assistants
- Design and selection of the study's neuropsychological testing battery
- Subject recruitment, data analyses, and manuscript preparation

Research Assistant. Michigan State University, Department of Psychology, East Lansing, Michigan. *Age consistent memory decline and late life forgetting: Impact of attention and memory training.* 1998-2001

Principle Investigator: Norman Abeles, Ph.D., ABPP

- Neuropsychological assessment of study participants
- Implementation of mood and memory training workshops
- Presentation of findings at weekly research meetings

Research Assistant. Michigan State University, Department of Psychology, East Lansing, Michigan. *Psychotherapy Research Project.* 1999-2003.

Principle Investigator: Norman Abeles, Ph.D., ABPP

- Clinic-wide psychotherapy outcome research program
- Subject recruitment and tracking
- Collection of psychotherapy audio recordings and evaluation of therapist/client on pre/post measures

Principal Investigator. Michigan State University, Department of Psychology, East Lansing, Michigan. *Risk factors of cognitive decline in a community-based sample of older adults.* 1998-2001

- Research design, subject recruitment, data collection and analyses
- Funded by grants from the Pearl J. Aldrich Endowment in Gerontology and the Blue Cross Blue Shield of Michigan Foundation

Study Coordinator. The Borun Center for Gerontological Research, UCLA School of Medicine, Los Angeles, California. *A consumer interview approach to measuring satisfaction among nursing home residents.* 1997-1998

Principle Investigator: Jack Schnelle, Ph.D.

- Face-to-face structured interviews with nursing home residents
- Review of residents' medical records
- Quantitative and qualitative data analyses using SPSS

Psychometrician. Alzheimer's Disease Center Clinical Trials Program – Reed Neurology, University of California, Los Angeles. 1997-1998

Principle Investigator: Jeffrey Cummings, M.D.

- Neuropsychological assessment for double-blind placebo-controlled clinical trials of Cognex, Aricept, Xanomeline, Metrifonate, Melatonin, & Vitamin E
- Clinical interviews with dementia patients and their caregivers to evaluate the progress of those using new treatments for Alzheimer's disease and related dementias
- Interdisciplinary team approach with physicians, psychologists, psychiatrists, nurses, and social workers

Research Assistant. Alzheimer's Disease Center, University of California, Los Angeles. *Neurobehavioral disturbances in nursing home residents: Economics, occupational disruption, and clinical correlates.* 1996-1997

Principle Investigators: Jeffrey Cummings, M.D., Stacey Wood, Ph.D.

- Direct behavioral observation and evaluation of psychiatric disturbances in nursing home residents (i.e., delusions, hallucinations, agitation, depression, apathy)
- Extensive staff interviews with nurse caregivers using the Neuropsychiatric Inventory, Nursing Home Version
- Data analyses, manuscript preparation, and poster presentations

Research Assistant. Neuropathology Lab, St. Olaf College, Northfield, Minnesota. *Nitric oxide synthase of the hippocampus in Alzheimer's disease.* 1995-1997

Principle Investigator: Konrad Talbot, Ph.D.

- Preparation of hippocampal tissue samples using micrometer
- Research and modification of Bielschowsky method of silver staining
- Histochemical preparation and tissue mounting under microscope

Research Assistant. Office of Educational and Institutional Research, St. Olaf College, Northfield, Minnesota. 1995-1997

Supervisor: Karen Nelson, Ph.D.

- Development of research techniques, including surveys, for college studies
- Statistical analyses and data presentation for the college
- Supervision and training of junior research staff members

CLINICAL EXPERIENCE

Clinical Director. State of Minnesota, Department of Human Services, *Family Memory Care Project.* 2010 - 2017.

- Direct memory care consultants throughout the state of Minnesota implementing a translation of the NYU Caregiver Intervention (NYUCI) program developed by Mary Mittelman, Dr.Ph and Cynthia Epstein, LCSW
- Development of assessment and care planning protocols and consultant training
- Clinical supervision related to the assessment, care planning, and individual and family intervention sessions for caregivers of individuals with dementia
- Communication with representatives from the NYUCI program, U.S. Administration on Aging, Minnesota Board on Aging, Minnesota Metropolitan Area Agency on Aging, and the Alzheimer's Association

Clinical Director, Neuropsychology. HealthPartners Specialty Center and Regions Hospital, St. Paul, Minnesota. 2009 - Present.

- Chief neuropsychologist in outpatient specialty clinic and acute care hospital with focus on geriatric evaluations and early detection of dementia
- Differentiating normal aging from mild cognitive impairment (MCI), Alzheimer's disease, fronto-temporal dementia, vascular-related cognitive deficits, traumatic brain injury, and cognitive changes secondary to substance abuse, sleep deprivation, mood disorders and other problems

Independent Practice. Edina, Minnesota. 2006 - Present.

- Minnesota licensed psychologist: LP 4765
- Neuropsychological and forensic/medical-legal evaluations
- Psychotherapy with individuals, families, and couples

Senior Clinical Neuropsychologist. Neurovascular Institute and HealthEast Care System, St. Paul, Minnesota. 2006 - 2009.

- Consulting neuropsychologist in neurocritical care unit involving patients with aneurysm, cerebral hemorrhage, stroke, brain tumor, seizure, arteriovascular malformations, and other neurovascular issues
- Consult-based practice throughout an acute care hospital environment with referrals from neurosurgery, neurocritical care, neurology, psychiatry, chemical dependency, oncology, and internal medicine

Independent Practice. Beverly Hills, California. 2006.

- California licensed psychologist: PSY 21047
- Neuropsychological and forensic/medical-legal evaluations
- Psychotherapy with individuals, families, and couples

Clinical Neuropsychologist. Pacific Neuroscience Medical Group, Los Angeles, California. 2006.

- Neuropsychological evaluation and consultation for neurology practice specializing in the treatment of older adults with neurologic illness (e.g., Parkinson's disease, multiple sclerosis, Alzheimer's disease, fronto-temporal dementia, cerebrovascular disease)

Psychotherapist. Bridges to Recovery Residential Treatment Program, Pacific Palisades, California. 2005-2006.

- Intensive psychotherapy (4 to 5 times weekly) for clients residing in a 6-bed resident treatment facility specializing in trauma, mood disorders, anxiety and panic disorders, unresolved grief, and severe mental illness

Postdoctoral Fellow. Department of Psychiatry and Biobehavioral Sciences, UCLA, Los Angeles, California. 2004-2006.

Directors of Training: Robert Bilder, Ph.D., ABPP/ABCN, Charles Hinkin, Ph.D., ABPP/ABCN

- Advanced specialization and didactic training in neuropsychological assessment

Predoctoral Geropsychology Intern. West Los Angeles VA Healthcare Center, Los Angeles, California. 2003-2004.

Director of Training: Anna Okonek, Ph.D.

- Neuropsychology
Supervisor: Charles Hinkin, Ph.D., ABPP/ABCN
Comprehensive inpatient and outpatient evaluations and didactic training
- Geriatric Research, Education, and Clinical Center (GRECC)
Supervisor: Stacy Wilkins, Ph.D., ABPP/ABCN
Neuropsychological assessment and individual/family therapy for inpatient and outpatient geriatric clinics
- Geropsychology
Supervisors: Jeffrey Ball, Ph.D., Sheryl Osato, Ph.D.
Neuropsychological/psychological assessment and therapy in psychiatric outpatient program and long-term care facility
- Ambulatory Care / Outpatient Mental Health
Supervisors: Steve Castellon, Ph.D., Edward Carroll, Ph.D., Sara Jarvis, Ph.D.
Individual/group therapy and assessment with severely mentally ill outpatients

Student Director. Psychology Clinic, Michigan State University, East Lansing, Michigan. 2001-2002

Supervisors: Norman Abeles, Ph.D., ABPP, G. Anne Bogat, Ph.D., Valerie Shebroe, Ph.D.

- Training and supervision of intake clinicians
- Development of clinic policies and procedures
- Liaison to university departments and community organizations

Supervising Neuropsychology Clinician. Psychology Clinic, Michigan State University, East Lansing, Michigan, and the Grand Rapids Home for Veterans (GRHV), Grand Rapids, Michigan. 2001-2003

Supervisor: Norman Abeles, Ph.D., ABPP

- Training and supervision of clinicians conducting in-patient neuropsychological evaluations of older adults
- Evaluation of individuals with Alzheimer's disease, vascular dementia, fronto-temporal dementia, alcohol-induced dementia, HIV, intracranial hemorrhage, traumatic brain injury, stroke, MS, Parkinson's disease, amnesic disorder, as well as those with severe psychiatric disturbances, such as schizophrenia
- Consultation and liaison services to VA physicians, psychiatrists, nurses, and social workers

Intake Clinician. Psychology Clinic, Michigan State University, East Lansing, Michigan. 2000-2001

Supervisor: Norman Abeles, Ph.D., ABPP

- Intake interviews and summary reports for new clients seeking psychotherapy and/or assessment services
- Review of clinic policies to improve service quality
- Community outreach to increase knowledge of clinic programs and services

Student Therapist. Psychology Clinic, Michigan State University, East Lansing, Michigan. 1999-2003

Supervisors: Alytia Levendosky, Ph.D., Stuart Doneson, Ph.D., Brenda Lepisto, Psy.D., Burtram Karon, Ph.D.

- Individual, couples, family, and group therapy with younger and older adults, as well as play therapy with school-aged children
- Presenting problems: depression, anxiety, interpersonal difficulties, marital conflict, retirement issues, adjustment difficulties, behavioral problems, parenting issues, drug and alcohol dependence, anger management, grief and loss
