

## About Our Hospital

Park Nicollet Methodist Hospital is a 426-bed facility in the Twin Cities metro area, a member of the HealthPartners integrated health care system with 8 hospitals and over 50 clinics. Our hospital is recognized as an area leader in cancer care, cardiovascular services, and stroke care. Methodist Hospital is a Level III Trauma Center and a Joint Commission certified Comprehensive Stroke Center. Methodist Hospital and associated programs offer a wide range of services for our patients and community. Pharmacists facilitate appropriate, therapeutic, efficient, safe, and cost-effective medication-related treatment. Selected medications are routinely monitored through the P&T and Medication Safety Committees, by pharmacy clinical specialists, staff pharmacists, and our residents, to promote patient safety and improve patient outcomes.
