2. The Program Director shall consider all evaluations of the trainee’s performance (see policy GME-3: Evaluation of Trainees) and any other criteria deemed appropriate by the Program Director.
3. Trainees will be promoted from each level of training after satisfying all requirements for that training level unless:
 - a) The trainee’s employment is terminated pursuant to GME-14: Termination of Trainee;
 - b) They are ineligible based on failure to satisfy licensure, visa, immunization, registration, or other eligibility requirements for training; or
 - c) Their residency/fellowship program is reduced in size or closed; see policy GME-16: Training Program Reduction/Elimination.
4. The Program Director shall provide a trainee with a written notice of intent when that trainee will not be promoted to the next level of training as soon as such decision is made.

5. Any trainee whose promotion is uncertain due to academic, clinical, or professional performance should be placed on either Remediation or Probation; see policy GME-3: Evaluation of Trainees and policy GME-13: Fair Hearing.

B. Completion of Program

1. The length of each program is determined by the applicable ACGME, CPME, or CODA requirements. Trainees must complete the requirements for the program in which they are enrolled.
