Dear Colleague,

I invite you to attend “Dermatology for Primary Care: Beyond the Basics.” This one-day conference will focus on the diagnosis and management of common skin disorders and skin cancers seen in primary care.

This year’s conference features new topics including:

- The Dermatologic Formulary with emphasis on cost-effectiveness
- Benign and malignant skin tumors
- Common mistakes in diagnosis of skin rashes and how to avoid them
- Acne, rosacea, perioral dermatitis, folliculitis, and hidradenitis

The conference also includes breakout sessions on challenging dermatology cases and a skills course on common skin procedures.

Registration is limited, so please register early.

I look forward to your participation!

Carol Soutor, MD, Course Director

Who Should Attend

The conference is designed for physicians, physician assistants, nurse practitioners, and nurses.

Objectives

At the conclusion of this activity, participants will be able to:

- Utilize algorithm in clinical practice to increase accuracy in diagnosing common skin rashes.
- Recognize and diagnosis skin cancer in its early stages.
- Identify common causes of urticaria and contact dermatitis.
- Utilize a cost-effective dermatologic formulary.
- Perform the proper technique and situation for skin biopsies.*
- Discuss challenging dermatology cases.*

*Applies to breakout sessions.

Conference location

This conference will be held at the HealthPartners Conference Center, 8170 33rd Avenue South, Superior Room, Bloomington, Minnesota.

Accreditation

HealthPartners Institute for Medical Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

HealthPartners Institute for Medical Education designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

HealthPartners, Inc. is approved by the Minnesota State Board of Pharmacy as a provider of continuing pharmaceutical education for Minnesota pharmacists. This program has been submitted for 7.5 hours of continuing education credit. Each pharmacist should claim only those hours of credit that he/she spent in this educational activity.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

This program has been designed to meet the Minnesota Board of Nursing’s criteria for 9.0 contact hours of required continuing education. It is the responsibility of each nurse to determine whether a continuing education activity meets the criteria established by the Minnesota Board of Nursing.

Disclosure Policy: It is the policy of HealthPartners Institute for Medical Education to provide balance, independence, objectivity, and scientific rigor in all of its sponsored educational activities. All faculty, course directors, and planning committee members participating in sponsored programs and/or their spouse/partners are required to disclose to the audience any real or apparent conflict of interest related to the content of this activity. Disclosure information is reviewed in advance in order to manage and resolve any potential conflicts of interest, and will be shared with the audience prior to the activity’s presentations.
