Primary Care Update
Pathways to Knowledge
September 18-19, 2014
Courtyard by Marriott, Minneapolis

Customized learning!
Over 35 breakout sessions from nearly every specialty

Sponsored by
HealthPartners®
Medical Group & Clinics
HealthPartners®
Institute for Education and Research
Dear Colleagues,

We invite you to attend Primary Care Update: Pathways to Knowledge at the Courtyard by Marriott in Minneapolis. We realize that primary care providers see a vast number of patients and that each clinical environment has a unique patient population. With this in mind, we have designed a program that gives you the opportunity to customize your learning and create your own pathway to knowledge.

Overview
Plenary sessions feature our stories, pearls, patient perspectives, common referrals and updates in the world of primary care medicine.

Experience
• Customized Learning with over 35 breakout sessions
• Hot Topics
• Cased-Based Discussions
• Back to the Basics
• Interactive Workshops on skin biopsies, podiatry, management of burns, myofascial pain, trigger point injections, splinting and diabetes, including tools and tricks of the trade
• Specialized tracks on international health, orthopaedics, pharmacology, pain management and sexual health

Bonus Features
• Lunchtime Learning: CSI Minneapolis and St. Paul, Impactful Reading and Improving Provider Empathy
• Visual Diagnosis: Seeing is Believing!
• Exhibit Area and Learning Resources
• ABFM SAM Study Group Session
• ABIM Maintenance of Certification
• Basic Life Support for Health Care Providers - Recertification

There is limited seating, so don’t delay – register today!
We look forward to seeing you in September.

Who Should Attend
This conference is designed for physicians, physician assistants, nurse practitioners, pharmacists and others who seek the most up-to-date information on current issues and hot topics in primary care medicine.

Purpose
Primary care medicine is the foundation of our health care system and is the largest component of that system. Over half of all visits to physicians’ offices were made to primary care providers.

Good access to high quality primary care medicine is associated with more timely care, better preventive care, avoidance of unnecessary care, improved cost and lower mortality. Therefore, it is imperative for primary care providers to remain up-to-date on knowledge, practice guidelines and medical skills empowering them to provide care that is high quality, accessible, cost effective and associated with better experience for both the patient and their provider.

Conference Objectives
At the conclusion of this conference, participants will be able to:
• Describe the most recent advancements in primary care medicine.
• Apply the following to your clinical practice:
  - Utilize cost-effective and safe use of medications, including appropriate use of narcotics.
  - Recognize and manage common orthopaedic conditions.
  - Discuss best practices and appropriate referrals.
• Demonstrate improvements in:
  - Optimal hypertension control within three and six months post-conference.
  - Diabetes measures within three and six months post-conference.

Triple Aim
The content of this conference is in alignment with the Triple Aim which simultaneously accomplishes these three critical objectives:
• Improve the health of the population served
• Improve the experience of each individual
• Affordability as measured by the total cost of care

Educational Care Team
Sara Hartfeldt, MD  Douglas Hotvedt, MD  Rebecca Jones, MD  Lori Ricke, MD  Meredith Wold, PA-C
Preliminary Program – Thursday, September 18

7:15  Registration and Continental Breakfast
7:50  Welcome and Announcements  .. Moderator: Meredith Wold, PA-C
8:00  I Can't Smile Without You – Treating Adolescent Tears and Fears in Primary Care  .. Elizabeth Reeve, MD
8:45  Eye of the Tiger – Diagnosis and Treatment of the Red Eye  .. Anthony Pfaff, MD
9:15  I’ve Got You Under My Skin – Dermatology Pearls  .. Carol Soutor, MD
10:00 Break, Exhibits and Visual Diagnosis
10:30 Under Pressure – Hypertension: JNC8 Update  .. Joseph Browning, MD
11:00 Happy – A New Era for Hepatitis C Treatment  .. Julie Thompson, MD
11:30 Sugar, Sugar – Management of Diabetes  .. Alexis Forsberg, CNP
12:00 Lunch or Lunchtime Learning Session (optional – see registration form)

Accreditation

Park Nicollet Institute is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education, Park Nicollet Institute, designates this live activity for a maximum of 12.0 AMA PRA Category 1 Credit(s)™. (Additional .75 for each optional lunchtime learning session to equal 13.5 credit hours) Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Park Nicollet Institute is approved by the Minnesota State Board of Pharmacy as a provider of continuing pharmaceutical education for Minnesota pharmacists. This program has been submitted for 12.0 hours (Additional .75 hours for each optional lunchtime learning session to equal 13.5 hours) of continuing education credit. Each pharmacist should claim only those hours of credit that he/she spent in this educational activity.

This program is designed to meet the Minnesota Board of Nursing’s requirements. It is the responsibility of each participant to determine if the program meets the criteria for licensure or recertification for their discipline.
American Board of Family Medicine (ABFM) SAM Study Group Session

SAM Study Group Session: Module Topic on Mental Health in the Community – Content Expert: Charlotte Guest, MD
Friday, September 19, 2014, 3:30 pm – 6:30 pm (Optional – Limited to 24 participants)

Target Audience: The SAM Learning Session is designed for family medicine physicians who intend to maintain their certification.

course Description: The SAM Study Group session will be conducted in an interactive group setting and led by content experts. During the session, the group will review and discuss the SAM core competency questions and identify best answers. After completion of the session, the facilitator will report the group’s answers and participation to the ABFM.

Accreditation: Participants will only receive MC-FP credit for the module if they:
• are currently eligible for and enrolled in the MC-FP process;
• have not already completed the module topic that is being covered in the SAM Study Group session;
• have not already completed their current MC-FP Stage requirements;
• successfully complete the Knowledge Assessment portion of the SAM module within the group (or afterward if needed) as well as the Clinical Simulation section*
• attend and fully participate in the educational discussion of the entire session.

Objective: At the conclusion of this learning session, participants will be able to:
• Discuss critical aspects related to diagnosing and treating mental health disease in the community.

American Board of Internal Medicine (ABIM) – Maintenance of Certification (MOC)

Internal Medicine and Rheumatology, 2014 Updates
Friday, September 19, 2014, 3:30 pm – 6:30 pm (Optional – Limited to 24 participants)

Target Audience: The ABIM Learning Session is designed for ABIM Board Certified physicians who are maintaining their certification. Additionally, the learning session is open to providers who wish to attend for general knowledge purposes.

Course Description: The learning session will be conducted in an interactive group setting and led by ABIM Board Certified physicians, who will also review MOC requirements. During the learning session, the group will identify and discuss the answers to the module questions. Following the session, ABIM Board Certified physicians may log into their physician login home page to order a copy of the modules and submit the answers to ABIM for scoring, CME and MOC credit. Successful completion of these modules is worth 20 points toward the Self Evaluation of Medical Knowledge requirement for MOC.

Accreditation: (ABIM Board Certified physicians only)
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through joint sponsorship of the Perelman School of Medicine and the American Board of Internal Medicine. The Perelman School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Perelman School of Medicine designates this enduring material for a maximum of 10.0 AMA PRA Category 1 Credit(s)™ per module. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Objectives: At the conclusion of this learning session, participants will be able to:
• Discuss several recent advances in medical knowledge that have impacted the clinical practice of internal medicine and rheumatology.
• Describe internal medicine and rheumatology “best practices” regarding diagnoses, treatments and other aspects of patient management resulting in recent advances in medical knowledge.
• Identify and apply in practice important clinical management principles in internal medicine and rheumatology that, even though they have not recently changed, should be reinforced in the practice community.

Basic Life Support for Health Care Providers – Recertification

Friday, September 19, 2014, 3:30 pm - 6:30 pm (Optional – Limited to 24 participants)

Target Audience: This course is designed for all health care professionals.

Course Description: The American Heart Association designed the BLS for Health Care Provider’s course to prepare health care professionals in performing CPR both in and out of hospital settings. This course trains participants to promptly recognize cardiac arrest, give high-quality chest compressions, deliver appropriate ventilations and provide early use of an automated external defibrillator as part of a team and also individually. Additionally, this course teaches how to relieve choking and includes adult, child and infant rescue techniques. Participants must have a current BLS card.

Objectives: At the conclusion of this live activity, participants will be able to:
• Initiate the chain of survival by promptly recognizing cardiac arrest within 10 seconds and overcome barriers to initiating CPR.
• Perform prompt, high-quality CPR with C-A-B sequence (adult/child/infant).
• Initiate early use of AED (adult/child/infant).
• Perform appropriate breaths with minimal interruptions in compressions.
• Demonstrate the minor basic life support differences (adult/child/infant).
• Demonstrate team CPR (adult/infant).

Registration fee

The registration fee for each Post-conference Activity is $55. Enrollment is limited – registration deadline is September 4, 2014.

Better Together

The HealthPartners and Park Nicollet education teams have combined the Continuing Medical Education (CME) programs and operate under a single accreditation from the Accreditation Council for Continuing Medical Education. This combination allows us to provide innovative continuing education programming that builds upon the best practices of each team to improve patient care, safety, processes and systems.

Disclosure Policy

It is the policy of the Office of Continuing Medical Education, Park Nicollet Institute to provide balance, independence, objectivity, and scientific rigor in all of its sponsored educational activities. All faculty, course directors, and planning committee members participating in sponsored programs and/or their spouse/partners are required to disclose to the audience any real or apparent conflict of interest related to the content of this activity. Disclosure information is reviewed in advance in order to manage and resolve any potential conflicts of interest, and will be shared with the audience prior to the activity’s presentations.

Location and Accommodations

The conference will be held at the Courtyard Marriot (formerly Holiday Inn Metromdome) 1500 Washington Avenue South, Minneapolis. Sleeping room rates start at $149.00 (plus tax) per night. Contact the hotel directly by calling 612-333-4646 or 800-448-3663. Please reference the Park Nicollet Institute Primary Care conference to receive the group rate.

Reservations should be made by September 12, 2014, after this date, rooms are subject to availability and regular rates may apply. Parking is available in the hotel ramp. Complimentary vouchers will be available at the registration desk.

Event Registration – fees and conference details

The registration fee is $345 for physicians; $245 for retired physicians and health care professionals; $75 for residents. The registration fee includes continental breakfast, breaks, lunch, course materials and parking.

Temperature in the meeting rooms vary and for your comfort, we suggest that you bring a sweater or jacket.

If you have any special needs or dietary requirements, please notify us when registering so that we can make arrangements to accommodate you.

How to Register

Online: healthpartnersinstitute.org

Mail: Continuing Medical Education
Park Nicollet Institute
3800 Park Nicollet Blvd
St. Louis Park, MN 55416

Fax: 952-993-3033

Cancellation and Refund Policy

Substitutions are accepted at any time. If you cancel your registration at any time up to the start of the conference, there will be an administrative charge of $50. No refunds are given after the conference has started.

All continuing medical education activities are subject to cancellation. In the event that this conference would be cancelled, the Office of Continuing Medical Education, Park Nicollet Institute, is not responsible for any airfare, hotel or other costs incurred by participants.
