A Celebration of Education and Research 2013

Celebrating knowledge, innovation and research for healthier lives

September 18, 2013
4:30 pm - 7:30 pm

HealthPartners Cafeteria, 8170 33rd Avenue South, Bloomington, Minnesota
Sponsored by HealthPartners Institute for Education and Research
Dear Colleagues,

Welcome to the HealthPartners Institute for Education and Research’s Celebration of Education and Research. This year’s event is particularly exciting for the Institute. After our combination earlier this year, we welcome our colleagues from Park Nicollet. We look forward to continuing and enhancing our collaborations with you.

Tonight, we recognize the achievements of our educational and research successes and discoveries during our poster session and speaker presentations. The work represented here is fundamental to HealthPartners’ evolution as a learning health organization.

We would like to thank Terry Crowson, MD, who was interim executive director of education from January until just this month while we conducted a national search for a replacement for Carl Patow, MD.

Thank you for your work and continued support of our mission to improve the health and health care of our patients, members and community.

Sincerely,

Felix Ankel, MD
Executive Director, Education

Andrew Nelson, MPH
Executive Director, Research
