Select Choice Plan

About your plan

With HealthPartners Select Choice plan, you choose a primary care clinic that's right for you. Then you can get the care you need, when you need it. If you want to switch clinics, you can at any time. Also, your family members can choose a clinic that meets their needs!

Plus, you have network access to many services like:
- Convenience and online care
- Hospital care
- Specialty care—no referrals needed
- Prescription medicines
- Preventive care

Find a doctor in your Select Choice network

When it comes to your health care, finding the right doctor is really important. To see if your doctor is in the Select Choice network or to find a new one, you can:
- Visit **healthpartners.com** and search the Select Choice network. Search for doctors by name, clinic name, specialty, language, gender, hours of business, and more.
- Learn how doctors rate on cost and quality so you can make the best choice for you.
- Choose from more than 32,000 doctors and other care providers in Minnesota and Wisconsin.

How your plan works

Learn more about how the Select Choice plan works by using this chart with your Summary of Benefits and Coverage (SBC). This chart highlights SBC information people find most useful when picking their health plan.

Your Select Choice plan	
Your network - where can I go to the doctor?	Select Choice network SBC Page 1
Your deductible - if I have a deductible, how much is it?	SBC Page 1
Your out-of-pocket limit - what's the most I will pay for health care?	SBC Page 1
Your office visit costs - how much will I pay for office visits?	SBC Page 2
Your special tests - how much will I pay for MRIs, CT Scans and X-rays?	SBC Page 2
Your emergency needs - how much does it cost to go to urgent care or the emergency room?	SBC Page 3

Plus, routine preventive care is typically covered at 100 percent. Please check Page 2 of your SBC for more details.
