

Preventive Drug List

Preventive drugs are used to help avoid disease and maintain health. Some insurance plans have a benefit that allows you to buy preventive drugs at a copay. Check your plan details or ask Member Services if you have this benefit.

How to use this list:

- Brand medicines are in **ALL CAPS** (e.g., **DALIRESP ORAL TABLET**)
- Generic medicines are in *lower italics* (e.g., *furosemide oral tablet*)

PA – Prior authorization

ST – Step therapy

QL – Quantity limit

AE – Age Edit

Please note: If your drug requires PA, ST, QL or AE, you must meet the coverage criteria for the drug to be covered at your preventive benefit.
