

Find the right plan for you

When you're picking a plan or getting health care, it's helpful to know what plan best fits your needs. HealthPartners® Plan for MeSM tool makes it easy to compare your plan options so you can pick the right plan for you.

Use the Plan for Me tool to help you:

Compare your health plan options	See plan deductibles, premiums and out-of-pocket limits so you can plan ahead for out-of-pocket expenses
See how your prescriptions are covered	Compare your prescription costs to help you pick the right plan for your budget
See if your doctor is in the network	Search for your doctor or find a new one to meet your health care needs
Experience sample plan scenarios	See how each plan covers your various health care expenses so you can pick the best plan for you

Get started today by visiting:

To use the tool, you'll need to enter this information:

- Group number:
- Site number:
- Effective date (plan start date):

Here's how it works:

1. Log in to the tool using the information to the left.
2. Look at plans side-by-side to see how they differ and compare.
3. Easily estimate out-of-pocket costs based on age and gender for you and any dependents you'd be covering. Or pick from a list of common conditions and medical procedures that relate to you and your family.
4. Once you've found a plan option you think will work best, print out a summary of that plan or email one to yourself for future reference.

Keep in mind, Plan for Me is designed to help you compare the plans your employer is offering. You'll still need to sign up for a plan through your employer's benefit enrollment process.

Simple, personal, easy to use.

Use this tool to make your health plan choices easier!
