Compass for HealthyMN

Your partner in good health

For nearly half a century, HealthPartners has been setting the standard for quality care and service. It is the largest consumer-governed, nonprofit healthcare organization in the United States. And its family of healthcare companies serves more than 1.25 million medical and dental health plan members nationwide.

Much has changed since HealthPartners was founded in 1957, but our mission and vision to improve the health of our members, patients and the community remain relevant and compelling today. It continues to guide our work, shape our thinking and set our path. These are more than just words; they are who we are and where we are headed. They show us how we contribute as individuals to a whole that is better than anything we can achieve alone.

What is Compass for HealthyMN?

Compass for HealthyMN is provided through a partnership with the Minnesota Department of Human Services for participants eligible for funds through the Healthy Minnesota Contribution Program. HealthPartners provides high-quality care and services for members.

Help when you need it most

HealthPartners nurse line CareLineSM is there when you need it most. This free phone service is staffed with registered nurses 24 hours a day, 7 days a week, 365 days a year. The nurses can answer your questions and discuss treatment options any time you need them. Call 612-339-3663 or 800-551-0859. TTY 952-883-5474.

Our members also have access to HealthPartners® Nurse NavigatorsSM, a unique program that connects you to experienced nurses who can help guide you through networks, benefits and services. This is a great service for questions on your healthcare needs and how your plan may cover them. Call Member Services between 8 a.m. and 6 p.m., Monday through Friday, and ask to speak with a Nurse Navigator.

virtuwell® - Sick. Click. Cured.

There's a great new online clinic available to you. virtuwell is a fast, simple, convenient way to treat 30 everyday conditions – such as colds, coughs, pinkeye, ear pain, flu or urinary tract infections – all from the comfort of your own home. virtuwell gives you 24/7 access to nurse practitioners with no appointment necessary. The next time you're sick, just go to virtuwell.com and answer a few questions about your symptoms. A nurse practitioner will review your answers, recommend treatment and give you a prescription (if you need it) – all in about 30 minutes or less.

Select a Medical Clinic

You can continue seeing your primary care provider and specialists as long as they participate in this plan. Use the following list of clinics or our online provider search at healthpartners.com/healthymn.

Urgent/After-Hours/Emergency Care

If you are unsure of what care you need and want to speak to a nurse, call the CareLine at 612-339-3663, 800-551-0859 or 952-883-5474 (TTY). This service is available to you 24 hours a day, seven days a week. The nurse can help you understand the best place to get care, such as an emergency room, urgent care or clinic appointment. The nurse can also help in many cases with home treatment advice. If you have an emergency that needs treatment right away, call 911 or go to the nearest emergency room.

Hospital Care

Each medical clinic listed also lists a hospital that it works with. You will go to the hospital associated with your primary care clinic for most of your hospital care. Your doctor may also send you to another hospital for special types of care.

Mental Health and Chemical Health

Call Member Services at 952-967-7998 or 866-885-8880 for a list of Mental Health and Chemical Health providers.

Specialty Care

You do not need a referral to see most of the specialists in this plan. You can get information about specialty care by calling Member Services. This information is also in the HealthPartners Compass for HealthyMn Provider Directory. You can find additional information at healthpartners.com/healthymn.

Additional care providers

The clinics and doctors in this plan's network are not limited to those listed in this booklet. We have additional doctors and clinics for vision, pharmacies and more.

To find any providers in our network go to healthpartners.com/healthymn. or call Member Services at 952-967-7998 or 866-885-8880. You do not need a referral to see specialists in this plan. You can schedule chiropractic appointments on your own, but you must go to a clinic in the plan's network.

Important Information about the HealthPartners Compass for HealthyMN Plan

- Service Accessibility: If you require special access to obtain services from a provider, you may ask for accessible accommodation information by contacting Member Services at 952-967-7998 or 866-885-8880.
- Copays: You may be required to pay a copay for certain services. A copay is an amount that you are responsible to pay your provider. Members will receive a Certificate of Coverage with more information about copays.
- Chiropractic Services: You may make your own appointments to go to a chiropractor. You must go to a chiropractor in the HealthPartners Chiropractic Network. Call Member Services at 952-967-7998 or 866-885-8880 for more information.

Enrolling in this health plan does not guarantee you can see a particular provider on this list. If you want to make sure, you should call that provider to ask whether he or she is still part of this health plan. You should also ask if they are accepting new patients. This health plan may not cover all your healthcare costs. Read your contract to find out what is covered.
