## Verifying Coverage

As a contracted provider, it is important to know what Original Medicare covers and also what additional benefits are covered by HealthPartners Medicare Cost plans. Coverage resources may include but are not limited to the following:

- [Medicare Coverage Database](#) - National Coverage Determinations (NCDs) and Local Coverage Determinations (LCDs)
- [MLN Matters Articles from CMS](#)
- Member EOCs

\*Providers are encouraged to use the Eligibility Inquiry Tool to verify specific member eligibility and plan coverage documents. Providers are also encourage to use the Claims Estimator Tool to assist in determining how a claim could be processed.
