Partners in Excellence
Executive Summary for MTM Pharmacy Programs
HealthPartners Partners in Excellence 2018 Executive Summary for MTM Pharmacy Programs

Purpose
The Partners in Excellence Program forms the basis for HealthPartners’ financial and public recognition for pharmacy services achieving high levels of performance in providing Medication Therapy Management (MTM) services. HealthPartners Pharmacy Administration is focused on affordability, improving health, reducing costs, increasing accessibility and providing a great member experience.

Goals
- Promote safe, effective, timely, patient centered, equitable and efficient care.
- Provide financial and public recognition to pharmacy services for excellent performance, designated as gold and silver recognitions.
- Reinforce:
  - Prevention
  - Evidence based care
  - Efficient care
  - Population based care
  - Continuous improvement

Principles
- Payment methodologies will be easily communicated and understood.
- Measurement system will be valid and reliable.
- Reward so that there is true motivation for, and recognition of, improved performance.
- Program will continuously evolve.

Data Communication
- Performance results will be provided to each pharmacy group periodically throughout the calendar year
- Final results will be available following the end of year in review.
