Minnesota Senior Health Options (MSHO) (HMO SNP)

2019 PROVIDER & PHARMACY DIRECTORY - ADDENDA

This directory addenda provides a list of HealthPartners® MSHO network providers and pharmacies.

This directory is current as of November 2019. Some network providers may have been added or removed from our network after this directory was printed. We do not guarantee that each network provider is still accepting new members.

HealthPartners is a health plan that contracts with both Medicare and the Minnesota Medical Assistance (Medicaid) program to provide benefits of both programs to enrollees. Enrollment in HealthPartners depends on contract renewal.

If you have questions, please call HealthPartners Member Services at 952-967-7029 or 888-820-4285, TTY 711, Oct. 1 through March 31, 8 a.m. to 8 p.m. CT, seven days a week. From April 1 to Sept. 30, call us 8 a.m. to 8 p.m. CT, Monday through Friday. The call is free. For more information, visit healthpartners.com/msho.
This section is a list of changes to the HealthPartners® Minnesota Senior Health Options (MSHO) (HMO SNP) network providers. Use this list to find the network providers that have had changes. Providers are organized first by the network change. The network change categories are New to the Network, No longer in the Network, Accepting New Patients, Address Changes, Phone Number Changes and New Hours. After category, it is organized by provider type, then alphabetically by facility name. If you have any questions, please call Member Services at 888-820-4285 (TTY 711).

A. DISCLAIMERS

This Directory lists health care professionals (such as doctors, nurse practitioners, and psychologists) and facilities (such as hospitals or clinics), that you may see as a HealthPartners MSHO member. We also list the pharmacies that you may use to get your prescription drugs.

We will refer to these groups as “network providers” in this Directory. These providers signed a contract with us to provide you services. This is a list of HealthPartners MSHO’s network providers for Anoka, Benton, Carver, Chisago, Dakota, Hennepin, Ramsey, Scott, Sherburne, Stearns, Washington and Wright counties.

You can get this document for free in other formats, such as large print, braille, or audio. Call Member Services at the number at the bottom of this page.

You can make a standing request to get this document, now and in the future, in a language other than English or in an alternate format. Call Member Services at the number listed at the bottom of this page.

The list is up-to-date as of August 2018, but you need to know that:

- Some HealthPartners MSHO network providers may have been added or removed from our network after this Directory was published.

- Some HealthPartners MSHO providers in our network may no longer be accepting new members. If you are having trouble finding a provider who will accept new members, call Member Services at the number at the bottom of this page and we will help you.

- To get the most up-to-date information about HealthPartners MSHO network providers in your area, visit healthpartners.com/msho or call Member Services at the number at the bottom of this page. Doctors and other health care professionals in HealthPartners MSHO network are listed on pages 10 to 339. Pharmacies in our network are listed on pages 476 to 497.
B. BACKGROUND INFORMATION ABOUT HEALTHPARTNERS MSHO’S NETWORK PROVIDERS

B1. KEY TERMS

This section explains key terms you’ll see in our Provider and Pharmacy Directory.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.

- The term **providers** also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.

- Providers that are a part of our plan’s network are called **network providers**.

- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provider services our plan covers. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.

- **A Primary Care Provider** (PCP) is a health care provider who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.

- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

  - **Oncologists** care for patients with cancer.
  - **Cardiologists** care for patients with heart conditions.
  - **Orthopedists** care for patients with certain bone, joint, or muscle conditions.

- You may need a **referral** to see a specialist or someone that is not your PCP. A **referral** means that your network PCP must give you approval before you can see someone that is not your PCP. If you don’t get a referral, HealthPartners MSHO may not cover the service.

- Referrals from your network PCP are not needed for:
  - Emergency care;
  - Urgently needed care;
  - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan’s service area;
  - Services from a women’s health specialist.

- **Open Access Services** – These are services for which you can choose any provider even if not in our network. An example of an Open Access Service is screening for sexually transmitted infections.

- Additionally, if you are eligible to get services from Indian health providers, you may see these providers without a referral. We must pay the Indian health provider for those services, even if they are out of our plan’s network.

- More information on referrals is available in Chapter 3 of the Member Handbook.

- You also have access to a **care coordinator**. A **Care Coordinator** helps you manage your medical providers and services.
B2. HOW TO CHOOSE A PRIMARY CARE PROVIDER (PCP)

You can get services from any provider who is in our network and accepting new members.

When you become a member of our plan, you will choose a Primary Care Provider who is part of our plan network. This provider will be your Primary Care Provider/PCP.

If you did not choose a Primary Care Provider/PCP or would like to make a change to your Primary Care Provider/PCP, go to the list of providers on page 8 and choose a provider:

- that you use now, or
- who has been recommended by someone you trust, or
- whose offices are easy for you to get to.

If you want help in choosing a PCP, please call Member Services at the number at the bottom of this page.

If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask before you get the service or care.

B3. HOW TO GET LONG-TERM SERVICES AND SUPPORTS (LTSS)

You may be able to get long-term services and supports (LTSS), such as services provided by the Elderly Waiver (EW) program as a HealthPartners MSHO member. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

You must have a Long-Term Care Consultation (LTCC) done and be found to be eligible to get additional services or support. You can ask to have this assessment in your home, apartment, or facility where you live.

Your care coordinator will meet with you and your family to talk about your care needs if you call to ask for a visit.

Your care coordinator will give you information about community services, help you find services to stay in your home or community, and help you find services to move out of a nursing home or other facility.

If you need transition planning and coordination services to help you move to the community, you may be eligible to get Moving Home Minnesota (MHM) services. MHM services are separate from EW services, but you must be eligible for EW.

To find out more about these services, see your Member Handbook. Call Member Services at the number at the bottom of this page to get more information on how to access these services.
**B4. HOW TO ACCESS HEALTHPARTNERS MSHO’S NETWORK PROVIDERS**

You may need a referral to see someone who is not a Primary Care Provider. There is more information about referrals in the “Getting started in HealthPartners MSHO” section of this Directory on page 4.

You must get all of your covered services from providers within our network. If you go to providers who are not in HealthPartners MSHO’s network (without prior authorization or approval from us), you will have to pay the bill.

A prior authorization is an approval from HealthPartners MSHO before you can get a specific service, drug, or see an out-of-network provider. HealthPartners MSHO may not cover the service or drug if you don’t get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if HealthPartners MSHO gives you permission first.

- You may change providers within the network at any time during the year. If you have been going to one network provider, you do not have to keep going to that same provider. You may change your PCP for any reason at any time by contacting Member Services. For some providers, you may need a referral from your PCP.

- HealthPartners MSHO works with all the providers in our network to accommodate the needs of people with disabilities. If you need to see a provider and are not sure if they offer the accommodations you need, HealthPartners MSHO can help you. Talk to Member Services for assistance.

**B5. HOW TO FIND HEALTHPARTNERS MSHO PROVIDERS IN YOUR AREA**

Turn to the Table of Contents on page 3 to search for network providers. You can search by the type of provider: Primary and specialty care, hospital, dental, chiropractic, urgent care, walk-in clinic, etc.

Primary and specialty care providers are organized alphabetically by clinic system, clinic name, and city. Other provider types are listed alphabetically by county and city.

**HOW TO ACCESS OUT-OF-NETWORK PROVIDERS**

Out-of-network providers are providers that are not part of the HealthPartners MSHO network. If you go to a provider who is not in your care network, your care is out-of-network. We may not pay for your out-of-network care. For more details, refer to your Member Handbook.

We cover certain health care services that you get from non-network providers. These include care for a medical emergency, including hospital care after you are stable (known as post-stabilization), maintenance care, urgently needed care when you are temporarily out of the service area, care that has been approved in advance by HealthPartners and any services which were determined to be covered through an appeals process. If a non-network provider asks you to pay for covered services you get in these situations, do not pay the provider. Instead, please contact Member Services at the phone number listed at the bottom of this page or send the bill to HealthPartners.
HOW TO ACCESS SPECIALTY PROVIDERS
You do not need a referral to see most of the specialists in this plan. In the Primary and Specialty Care Providers section there is a list of selected providers in more than 20 specialties who you can see without a referral. Some networks have more specialists who you can see with a referral from your primary care provider. Your provider will help you see these specialists when you need their care. You can get additional information on how to access specialty care by calling Member Services at the number at the bottom of this page.

HOW TO GET MORE INFORMATION ABOUT PERSONAL CARE PROVIDER ORGANIZATIONS (PCPO) AND HOME CARE AGENCIES
Personal care provider organizations (PCPO) or personal care assistant (PCA) service providers are listed in this booklet. Home Care Agencies are not listed in this booklet. Call Member Services or ask your Care Coordinator for more information on how to access these services.

HOW TO FIND A NETWORK PHARMACY
The Pharmacy section that lists pharmacy providers is located on page 475.

Please refer to the Pharmacy section to find an updated list of pharmacy providers. Or call Member Services at the number at the bottom of this page.

HOW TO DETERMINE IF A FACILITY IS ACCESSIBLE
Providers were asked to complete a questionnaire about accessibility in three areas: parking, entry ways and other relevant spaces, and office exam rooms and equipment. Responses to the questionnaire are included in the provider listings.

If you need more information about access options, you can obtain information by calling Member Services at the number at the bottom of this page. This could include, but is not limited to, information such as availability of flexible hours or wheelchair access.

HOW TO ACCESS INTERPRETER SERVICES
Hearing and language interpreter services are available to help you get services. Oral interpretation can be given to you in your language. You may be able to get written information in your language. If you need an interpreter, ask for one when scheduling an appointment or call Member Services.

If you have questions, please call HealthPartners Member Services at 952-967-7029 or 888-820-4285, TTY: 711, Oct. 1 through March 31, 8 a.m. to 8 p.m. CT, seven days a week. C. HEALTHPARTNERS MSHO’S LIST OF NETWORK PROVIDERS

This part of the Directory includes a list of HealthPartners MSHO’s network providers who participate in and accept HealthPartners MSHO. It contains:

- Health care professionals including primary care physicians, specialists, mental health and chemical dependency providers (behavioral health), and dentists; and

- Facilities including hospitals, nursing facilities, mental health facilities, IHS and Tribal facilities and clinics.

Providers are listed in alphabetical order by last name. In addition to contact information, provider listings also include specialties and skills, for example, such as languages spoken or completion of cultural competence training. Cultural competence training is additional instruction for our health care providers that helps them better understand your background, values and beliefs to adapt services to meet your social, cultural and language needs.
C1. PRIMARY AND SPECIALTY CARE PROVIDERS

You may get services from any of the providers on this list. For some services, you may need a referral from your PCP. HealthPartners contracts with more than 37,000 providers of this type.

D. BACKGROUND INFORMATION ABOUT HEALTHPARTNERS MSHO’S NETWORK PHARMACIES

This part of the Directory provides a list of pharmacies in HealthPartners MSHO’s network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

HealthPartners MSHO members must use network pharmacies to get prescription drugs.

• You must use network pharmacies except in emergency or urgent care situations.
• If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out-of-pocket for the service. Read the HealthPartners MSHO Member Handbook for more information.

Some network pharmacies may not be listed in this Directory.

• Some network pharmacies may have been added or removed from our plan after this Directory was published.

We have pharmacies outside Minnesota. Please contact Member Services at the number at the bottom of this page for more information.

For up-to-date information about HealthPartners MSHO network pharmacies in your area, please visit our web site at healthpartners.com/msho or call Member Services at the number at the bottom of the page.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the Member Handbook and HealthPartners MSHO’s List of Covered Drugs. You previously received the List of Covered Drugs. You can contact Member Services to request another copy.

D1. TYPES OF PHARMACIES IN HEALTHPARTNERS MSHO NETWORK

Along with retail pharmacies, your plan’s network of pharmacies includes:

• Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
• Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
• Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
• Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) pharmacies

You are not required to continue going to the same pharmacy to fill your prescriptions.

You can go to any of the pharmacies in our network.

D2. LONG-TERM SUPPLIES OF PRESCRIPTIONS

• Mail-Order Programs. We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply.

• 90-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. A 90-day supply has the same copay as a one-month supply.
E. HEALTHPARTNERS MSHO’S LIST OF NETWORK PHARMACIES

This part of the Directory includes a list of HealthPartners MSHO’s network pharmacies that participate in and accept HealthPartners MSHO. You can go to any of the pharmacies in our network. Pharmacies are organized first by type of pharmacy, then alphabetically by state, city and pharmacy name.

E2. MAIL-ORDER PHARMACIES

You can get prescription drugs shipped to your home through our network mail-order delivery program. Pharmacies are to obtain consent before shipping or delivering any prescriptions that a member does not personally initiate. Typically, you should expect to get your prescription drugs within five to eight business days from the time that the mail-order pharmacy gets the order. If you do not get your prescription drug(s) within this time, if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at 888-820-4285. TTY/TDD: 952-883-6060 or 800-443-0156. For rush shipping and urgently needed prescription drugs or supplies, call your mail order pharmacy during regular business hours for delivery options. Rush mail order delivery may cost you extra. To learn more about mail order pharmacies, see Chapter 5 of the Member Handbook.
