</table>
HealthPartners receives DHS enrollment file last week of the month. Counties with HealthPartners SNBC Inspire.
Historical Context

Institutional

De-Institutionalized

Medical Model
Important Concepts for SNBC

**MN Olmstead Plan:**
The Olmstead Plan is a broad series of key activities our state must accomplish to ensure people with disabilities are living, learning, working, and enjoying life in the most integrated setting.

**Person-centered:**
A term for healthcare and social services where the primary focus is on an individual’s unique preferences, values and needs when planning services and strategies to address healthcare needs.

**Self-Directed:**
Means that participants, or their representatives, have decision-making authority over certain services and take direct responsibility to manage their services with the assistance of a system of available supports. Self direction promotes personal choice and control and allows people to choose the level of risk they wish to take.
SNBC Care Coordination
Population Characteristics of SNBC members
Unique Service Coordination Needs

To find out if a HealthPartners member has a Care Coordinator, please contact Member Services at 952-967-7998 or 1-866-885-8880.
Role of Care Coordinator

- Every member has a Care Coordinator assigned to them
- Initial HRA completed within 30 days of enrollment
- Reassessment completed within 365 days of previous assessment
- Person Centered Care plans developed within 30 days of HRA
Care Coordination Barriers
Importance of Primary Care for Population
MTM ICSP
Why are we focusing on MTM?
Expectations of MTM provider

Focus on engaging SNBC members

Make care coordination a high priority

• Share care plans with HealthPartners/care coordinator
• Facilitate establishment of primary care with care coordinator for those patients without an established primary care provider

Submit all required billing information

• Incentives will be triggered by claims
Engage member in MTM services

Fax visit summary (either letter to provider OR a copy of documentation) to HealthPartners 952-853-8829

HealthPartners will send summaries to DCM who will send the information to the Care Coordinator

Care Coordinator works with the pharmacist and patient to execute plan
Incentive Payment Structure

Incentive to the pharmacist

- $50 for each targeted engaged member

Incentive to the patient

- $25 for completing the initial visit
- Follow up visits are not incentivized, but expected when unresolved problems exist
