

# State of MN Minnesota Advantage Plan Cost Level 1, HealthPartners

Coverage Period: 01/01/2020 – 12/31/2020

Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services

Coverage for: Single and family | Plan Type: Tiered

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.healthpartners.com/seqip](http://www.healthpartners.com/seqip) or call 1-800-343-4404. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other [underlined](#) terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 1-800-343-4404 to request a copy.

- **Out of Network** Point-of-Service (POS) coverage is available **only** for members whose permanent residence is outside the State of Minnesota and outside the service areas of the health plans participating in Advantage. This category includes employees temporarily residing outside Minnesota on temporary assignment or paid leave [including sabbatical leaves] and all dependent children, including college students, and spouses living out of area.
- The level of the office visit copayment for the employee and his or her family is dependent upon whether you have completed the Health Assessment in each Open Enrollment. Employees who have completed the Health Assessment and agreed to a follow-up from a Health Coach will receive a \$5.00 reduction to their office visit copay.
- **Employees who live and work out-of-area.** Employees whose Permanent Residence and principal work location are outside the State of Minnesota and the service area of the Minnesota Advantage Health Plan may receive Cost Level 2 benefits in their area of Permanent Residence if they obtain services from the PPO of the Claims Administrator with whom they are enrolled. If a PPO provider is not available in their area, they may receive Cost Level 2 benefits from any licensed provider in their area. If PPO provider is available but not used, coverage will be limited to the point-of-service benefits (\$350/\$700 deductible, 30% coinsurance).

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$250/individual medical services Network \$500/family medical services Network \$350/individual medical services Out-of-Network \$700/family medical services Out-of-Network	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. This plan has an embedded <a href="#">deductible</a> . If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. Well-child care, prenatal care, Network convenience clinics, on-line care, and Network <a href="#">Preventive care</a> services are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there "other" <a href="#">deductibles</a> for specific services?	No.	You don't have to meet "other" <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$1,700/individual medical services Network and Out-of-Network \$3,400/family medical services Network and Out-of-Network \$1,050/individual prescription drugs Network	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall

	\$2,100/family prescription drugs Network	family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.healthpartners.com/segip">www.healthpartners.com/segip</a> or call 1-800-343-4404 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a provider <a href="#">network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	Yes.	The plan will pay some or all of the costs to see a <a href="#">specialist</a> for covered services but only if you have the plan's permission before you see the <a href="#">specialist</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
