Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$500 individual \$1,000 family	If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . <u>Deductible</u> exceptions include office visit <u>copays</u> and for federally required <u>preventive services</u> . The <u>deductible</u> starts over with each plan year beginning on January 1 <sup>st</sup> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive care</u> and primary care services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u>
Are there other <u>deductibles</u> for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> limit for this <u>plan</u> ?	Prescription drug: Level 1 and 2: \$600 Individual \$1,200 Family Level 4: \$1,200 Individual \$2,400 family Durable Medical Equipment (in- network only): \$500 per individual	If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met. The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. The federal <u>maximum out-of-pocket</u> is \$8,550 individual/\$17,100 family. This applies to all essential health benefits, including some services not included in the <u>out-of-pocket limit</u> . (i.e. certain level 3 & 4 <u>prescription drugs</u> and adult hearing aids covered under this <u>plan</u> ).
What is not included in the <u>out-of-pocket limit</u> ?	Copayments for Level 3 and Level 4 non-preferred <u>specialty</u> <u>drugs</u> , <u>coinsurance</u> for adult hearing aids, <u>premiums</u> and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
