Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$1,500 Individual/\$3,000 Family Combined medical and <u>prescription</u> <u>drug deductible</u>	If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay. <u>Deductible</u> exceptions include office visit <u>copays</u> and for federally required <u>preventive services</u> . The <u>deductible</u> starts over with each plan year beginning on January 1 <sup>st</sup> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive care</u> and primary care services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u>
Are there other deductibles for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Combined medical and <u>prescription</u> <u>drug out-of-pocket limit of</u> \$2,500 Individual/ \$5,000 Family	Families must meet full family <u>out-of-pocket limit</u> before your <u>plan</u> pays. The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. The federal <u>maximum out-of-pocket</u> is \$9,100 individual/\$18,200 family. This applies to all essential health benefits, including some services not included in the <u>out-of-pocket limit</u> . (i.e. certain level 3 & 4 <u>prescription drugs</u> and adult hearing aids covered under this <u>plan</u> ).
What is not included in the <u>out-of-pocket limit</u> ?	Premiums and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See healthpartners.com/stateofwis or call 1-855-542-6922 for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a provider for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance</u> <u>billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the <u>specialist</u> you choose without a <u>referral</u> . However, it is recommended you get a <u>referral</u> to an orthopedist or neurosurgeon for low back pain
