

Car Seat Program for our members

Babies and children are our most precious cargo. Protect their lives and well-being by using car seats every time your family is in a vehicle. HealthPartners offers members a right-sized car seat at no cost – and training on how to use it safely.

Helping parents and parents-to-be

This program is offered to Medical Assistance (PMAP) and MinnesotaCare members, including:

- Children ages 0-8
- Women at least six months pregnant
- Non-birth (adoptive) parents expecting a child within three months

How to sign up

Call Member Services at **952-967-7998** or toll-free at **1-866-885-8880** (TTY: **711**) Monday–Friday 8 a.m. to 6 p.m. to sign up or learn more.

Receive a car seat at no cost

Program participants receive one car seat at no cost. A safety technician will help you select the best seat that meets the needs of your family.

Options include:

- Convertible infant car seat
- No back belt-positioning booster car seat
- Harness booster combination car seat

Additional options may be available for infants with a low birth weight or special needs. One car seat is offered at no cost per child (maximum one per lifetime).

Expert training and education

A certified child passenger safety technician will teach you how to install your car seat and use it safely. They can help you protect your child and comply with state laws.
